TESUQUE, NEW MEXICO

Encantado

AFTER A MASSIVE RENOVATION, ONE of the most revered and exclusive properties in northern New Mexico has reopened. Encantado, situated on 57 acres outside the village of Tesuque, a short drive from Santa Fe's plaza, boasts 65 casitas, a 10,000-square-foot spa with 15 treatment rooms, and a lodge featuring some of the finest cuisine in the Southwest. It's also only a short distance from great golfing at Las Campanas, kayaking on the Rio Grande, and experiencing the Santa Fe Opera. encantadoresort.com

SECRET OF THE SANGRE DE CRISTOS

Secluded but only minutes from Santa Fe, the spa's suites are like having your own hacienda.
